## OUR GUIDING FORCE . . .

Working with both students and faculty, Mr. Dumire coordinates the activities of James M. Bennett High School. Under his guidance, the school functions as a complete body, serving the needs of the students and the community.

Dear Graduates:

Many of you will graduate from this school with a distinction that cannot be claimed by any previous class. This is the distinction of having spent six years of your public education at James M. Bennett Senior High School. Your success or failure as adult citizens will furnish us with an excellent criteria for measuring the success of our educational program.

I hope we have taught you to think clearly. I hope we have given you a desire to continue learning, for one who graduates today and stops learning tomorrow is truly uneducated.

You have my best wishes for your continued success and happiness.

Very truly yours,

*Carl W. Dumire*

Our voyage began as seventh graders, when we tackled our first year at the newly constructed James M. Bennett Jr. High School. We assisted in establishing a successful student council and writing a school constitution. This year brought about the birth of a new pride in our school, the "Bennett Spirit" that stood out in the difficult years of our school's growth.

As sophomores, our class sponsored the Holly Ball, started a class scrapbook, and sold book-covers. In May some class members participated in the first school musical *Anything Goes*. This year also marked the beginning of our class' recognition in sports participation. Our JV football team proved successful against their opponents and triumphed twice over its cross town rival, Wi-Hi. The Varsity football team also outdid its rivals in that great 20-0 Turkey Day Game. "Little Jimmy Bennett" had grown up.

Welcoming a new status as Juniors, we eagerly prepared for our senior year. In March, somewhat impatiently, we awaited the arrival of our class rings. Also in March, came the production of our second school musical, *Brigadoon*, followed in April by our Junior Class play, *Don't Ever Grow Up*. We honored the class of 1967 by sponsoring a Jr.-Sr. Banquet. Later in the year our class was honored by having twenty-two Juniors inducted into the National Honor Society and two of our classmates chosen as AFS candidates. Mark Manning was sent to study in South Africa, and Shelly Burns was chosen to go to Germany. On a summer exchange program, Susan Mann visited Brazil.

On September 5, 1967—we were finally on top!

Our foreign exchange student from Australia, Eugene Ragghianti, better known as "Raggs," brightened our classes and lightened our hearts with his very British accent and tremendous personality. He played the leading role in the production of our senior class play, *Charley's Aunt*.

Nancy Hess reigned as our Homecoming Queen, with Chris Snee as her attendant.

Our Christmas activities brought about the selection of Brenda Townsend as Holly Ball Queen attended by Terri Howard.

The basketball season climaxed with the winning of the District Five Championship and competing at the State Semi-finals—A Bennett first.

Other class activities included presenting a helm to the school and entertaining our parents at a Senior Appreciation Night.

May third was the date of our senior class trip to New York—which proved very exciting. Our Senior Prom "Springtime in Paris" indeed left fond memories an unforgettable night. Also in May awards were presented to outstanding seniors.

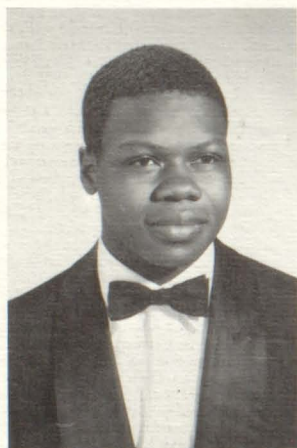

The Baccalaureate sermon and the graduation exercise marked the end of our six years together.

## P.T.A. PROGRAM

On April 22, the Seniors honored their parents with the traditional P.T.A. program. Presenting humorous skits, the class reviewed the highpoints of their six years together at Bennett. With the symbolic candle of leadership, the spirit of the Class of '68 was passed on to the Class of '69.

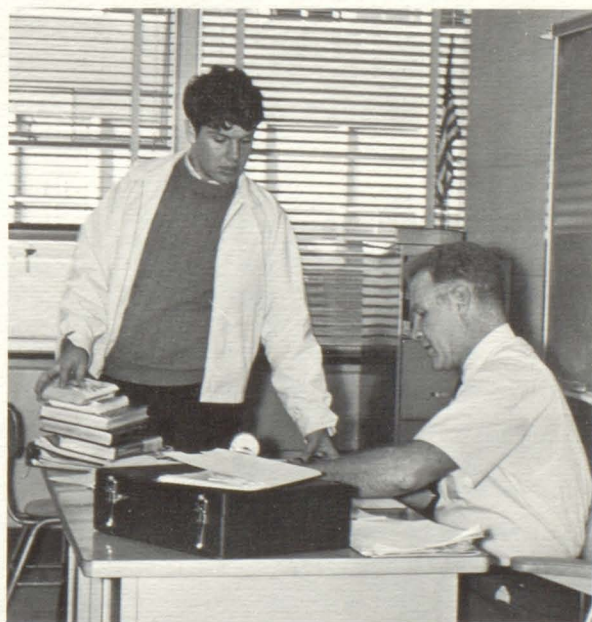

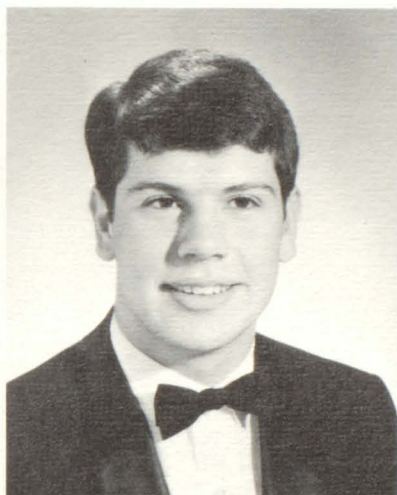

# "WALK TOGETHER, TALK TOGETHER . . ."

Eugene Ragghianti, an American Field Service student from Australia, entered the Class of '68 in September. He was J.M.B.'s first boy exchange student—but what an experience! From the first day, he got into everything—taking a lead in the Senior Class play and becoming president of the Drama Club. And he proved to be a ball of fire with a British accent.

# SENIORS STAGE

## CHARLEY'S AUNT

The curtain rises, the lights flash, the audience laughs and applauds as the Senior Class presents its final dramatic performance, *Charley's Aunt*, under the direction of Mr. David Johnson and Glenn Benedict, student director.

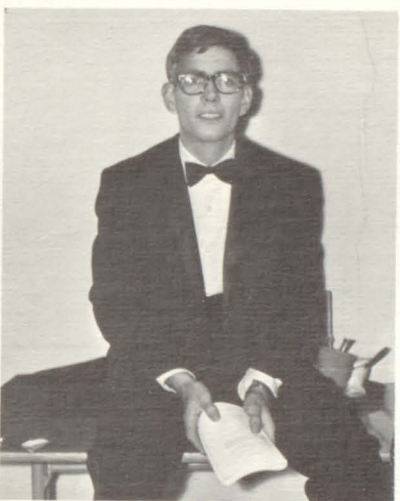

This rip-roaring comedy, staged December 7 and 8, came to life as two young Englishmen persuaded their best friend to pose as Charley's wealthy aunt so that they could entertain their girlfriends. Then they discovered that the girls' guardian was madly in love with the "aunt"! But all ends well when the real aunt appears and the young couples are able to plan their marriages.

# STUDENTS ABROAD

Shelly Burns became the second member of the Class of '68 to participate in the American Field Service Program by spending a year in Germany. In early September Shelly arrived at her new home, the Rixens in Preetz, a small town in northern Germany.

Adopting a new language and establishing a new way of life was difficult but Gudren Rixon, her German sister, offered much help. Shelly attended school six days a week and was required to take fifteen subjects.

Shelly returned to the U.S. on July 20 from her stay in Germany. Her year there not only provided a new and exciting experience for her, but for the people of Preetz as well since Shelly was their first AFS'er.

Mark Manning returned from Bloemfontein, Republic of the Orange Free State, South Africa, on January 15, 1968, after a year spent there as an exchange student. Mark left early in 1967 for his new home.

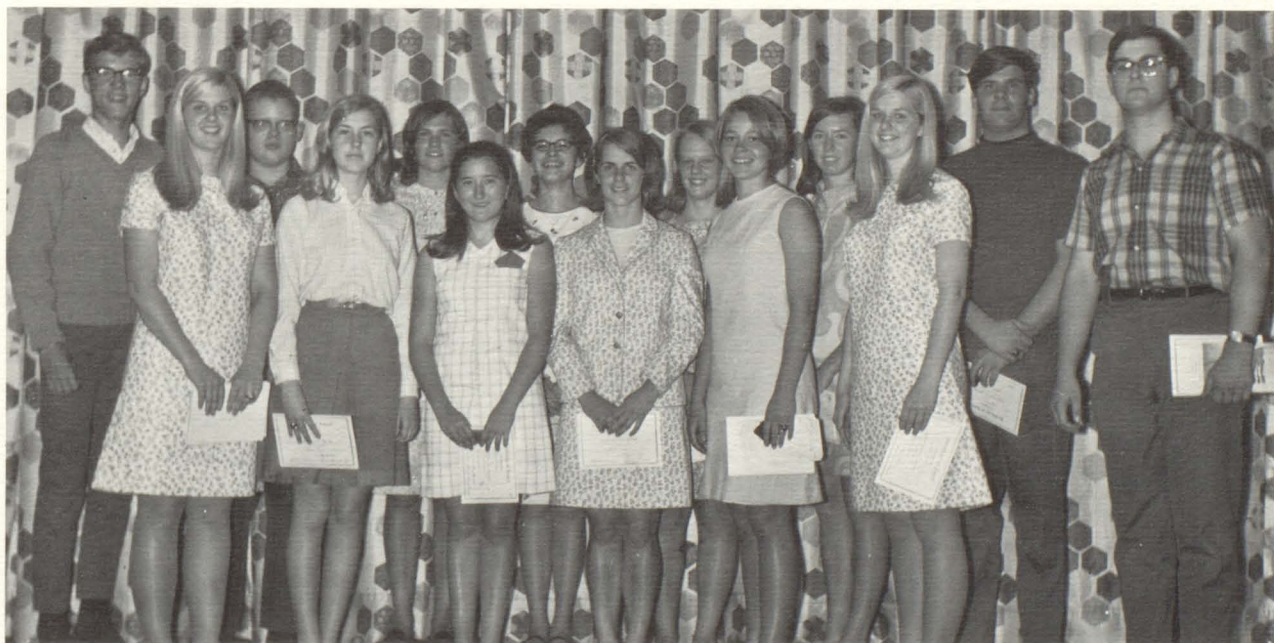

Mark found his second home different but exciting. The major adjustments seemed to be caused by the hot climate and strict social customs.

Upon re-entering Bennet, Mark took every chance to relate his wonderful experiences to the student body. Wearing the striped jacket of the uniform from his school, he showed slides during the A.F.S. Fund Assembly. He completed his senior year at Bennett and graduated with the class of '68.

# HOMEC

On November 14 and 15, Homecoming Weekend, James M. Bennett overpowered Easton with a score of 46 to 19. Preceding the game was the colorful Homecoming Parade. The sophomores showed their spirit by winning first place with their red and white rocket ship. The following evening the Homecoming Dance was held in the gaily decorated cafeteria. Here Nancy Hess, queen; Barbara Newcomb, sophomore attendant; Beverly Bloodsworth, junior attendant; Chris Snee, senior attendant; Sally Dickey, junior attendant; Gayle Williams, sophomore attendant; reigned as the Homecoming Court.

# OMING

# GO BIG

The cold, rainy, weather only added to the misery of the Bennett fans as they filed out of the stands, Turkey Day '67. Outplaying the cross-town rivals on the field, the mighty Clippers bowed to the Wi-Hi Indians for the first time in three years.

It seemed as though the Clippers might overcome Wi-Hi's half time lead of 14-0 when the Big Red started moving with a 13 point comeback. But, with six minutes left, the Clippers fumbled on Wi-Hi's five yard line. The game ended in a disappointing defeat for J.M.B., 14-13.

## BROTHERHOOD

This year the Human Relations Clubs of Bennett and Wi-Hi jointly presented an assembly during Brotherhood Week. As Mary Beth Sullivan, president of Bennett's Human Relations Club, pointed out, Brotherhood is the feeling which should continue throughout the whole year rather than lasting for one week only.

# ALL SPORTS NIGHT

The Class of '69 emerged victorious from All Sports Night for the second consecutive year. The event, sponsored by the Varsity Club, was held on March 29 and was followed by a dance for participants and fans.

The juniors, taking a lead after the first event, finished with a total of 74 points. The Senior class was not far behind with 69, and the Sophomores were able to muster enough strength to secure 55 points.

Events were arranged to account for individual and class efforts. Competition in gymnastics—floor exercises, mats, balance beam, vaulting, trampoline, ring, highbar, parallel bars—and the areas of shoe scramble, tug-of-war, foul shooting, and sack race was keen.

Keeping in tradition, the victorious class was honored at the dance following these events. The "Strangest of All" provided the music.

# HOLLY BALL

With the approach of the holiday season, the sophomores were busy preparing for the annual Holly Ball held December 15. This year the queen, Brenda Townsend, reigned over Toyland. Sally Cannon, sophomore; Bev Bloodsworth, junior; Terri Howard, senior; Sharon Fritz, first Holly Ball queen; Judy Clark, junior; and Brenda Hill, sophomore completed this year's Holly Ball court.

A good time was had by all.

## "GIRL IN THE RAIN"

On April 4th and 5th, the Class of '69 made its dramatic debut with the presentation of James Reach's play, *Girl in the Rain*.

It was a "hats off" to the Juniors for their performance of a serious play involving the conspiracies of a young murderess.

The cast included Clary Moore, Steve Goldberg, Keith Fleming, Barbara McQuown, Dena Litow, Joan Sharp, Pam Dashiell, Norman Larmore, and Tom Patt. It was directed by Mr. David Johnson with Karl Russell helping as student director.

As the 1967 Varsity Football team clashed with some of the highest-rated teams in the state, it completed the toughest season ever with a record of four wins and six losses.

For the first time, the Big Red was able to trounce both Cambridge and Easton. But, the most spectacular game of the season proved to be the bout with Dematha. A game in which the Clippers lost, but gained the respect of all football enthusiasts.

The traditional Turkey Day game saw Bennett win in the statistics but not on the scoreboard, as the Clippers ended the year with a 14-13 loss.

With the joyous victories and bitter disappointments, Bennett saw a spirited football team, under able coaching, fight hard and establish many firsts for Varsity Football.

**COACHES AND MANAGERS**—Mr. Yobst, Mr. Bailey, Mr. Evans, and Mr. Briscoe. Brent Townsend, Eddie Gordy, Eddie Jones, and John Rohrer.

Class of '68:

Your Parent-Teacher Association, proud of your accomplishments, congratulates you.

Yours has been a record of high achievement culminating with your participation in the accreditation of your Alma Mater. Fighting back from humbling defeats on occasion, your athletic teams have gone on to triumph, bringing real glory to your high school. Your class has provided the talent and drive that have made possible successful musical and theatrical activities throughout the years. Certainly your scholastic achievements are noteworthy. Unwilling to accept placidly the heritage left you by previous graduating classes, you have established even greater standards of performance as goals for those who will follow.

The future which you face is uncertain and the times in which you live are unsettled and turbulent. However, it has been your good fortune to spend your maturing years in an atmosphere of stability and reason. You have shown an ability to lead your student body and overcome great odds. With this background we feel that the members of this year's graduating class will achieve prominence and will furnish leadership in the shaping of the world in which you will spend your adult lives. Our hopes and best wishes go with you.

As the '67-'68 year nears its end and the '68 *Voyager* is sent to press, we would like to thank all those members of the staff who have worked long and hard to make this book possible. Many hours of work have gone into its preparation and production and without the help of those dedicated students it would not have been done. A special thanks is also due to all the members of the faculty who have been so helpful and cooperative throughout the year.

To the staff of the '69 *Voyager* we say, "Good luck," and hope that your year is as full and rewarding for you as ours has been for us.

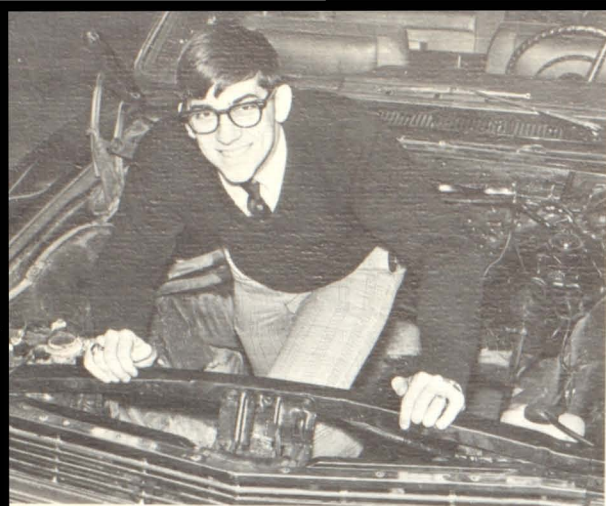

*Melie Jackson*

*Polly Heumann*

*Alanna Kamanity*

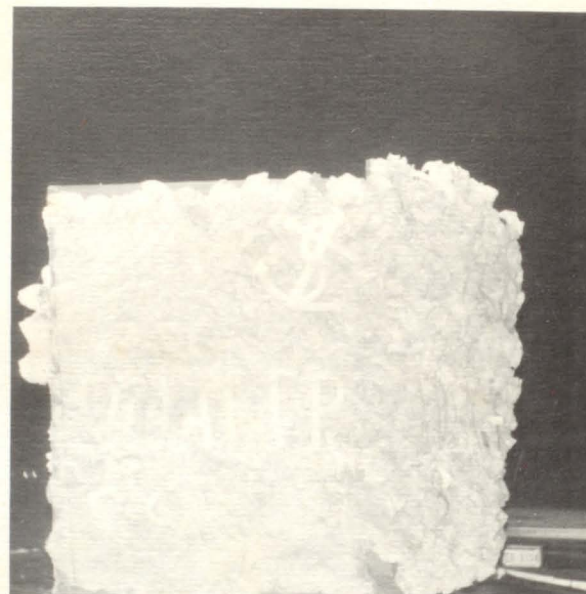

The *Voyager* staff has dedicated itself to giving you, the Class of '68 the best yearbook yet. I hope that the preceding 222 pages are proof of this.

These pages involved a lot of hard work and long hours plus loyalty to the yearbook itself. I wish to thank all those who have made it possible to complete this book. A special thanks goes to Sallie Jackson, Patti Lemmerman, and Donna Kamanitz, my associate editors. Also I wish to thank Mrs. Anna W. Carey, our Advisor for her help.
